Caring in The Carolinas: 2022 Annual Symposium on Post-Acute and Long-Term Care October 28-30, 2022, at Embassy Suites by Hilton and the Concord Convention Center

Caring in The Carolinas is North and South Carolina's premier gathering of post-acute, long-term skilled nursing care, hospice and home health care providers. As you know, access to this group is limited during the work week. We hope you take advantage of this opportunity to get in front of a large concentration of these decision-makers! We have made efforts to recruit a diverse group of attendees, particularly mid-level providers, to join our organization and attend our conference.

Our planning team has reserved extended exhibit hours for ample opportunity to meet with each attendee.

Exhibit hours will be: Friday, October 28: 5-7 pm; Saturday, October 29: 7:30-8 am, 10-10:30 am, 12-12:30 pm, 3:30-4 pm; Sunday, October 30: 7:30-8 am, 10-10:30 am. This is subject to change pending program certification for CME.

Our members greatly appreciate the support that we receive from you! Your support makes it possible for us to provide members with quality educational program they need to provide excellent care to their patients. During the symposium we make every effort to encourage attendees to engage with you in the exhibitor space and during sponsored lectures.
